

YOUR FUNDRAISING TARGET IS €120

Thank you for collectively raising €300,000 in 2021 under such unusual circumstances. This year, we are aiming to raise the same amount for the recipient charities - Peter McVerry Trust and The Hope Foundation. Every cent you raise goes directly to helping those in Ireland and Kolkata through the recipient charities.

FUNDRAISING TIPS

1. Ask people for a specific amount of sponsorship i.e. ask 12 people for €10 or be brave and ask for more to help the homeless of Ireland and Kolkata.
2. Start your sponsorship form with your highest donations. Those sponsoring you later on may look at the form for a guide of how much to give.
3. Promise something different; run, walk, hike or cycle.
4. Please share your idonate.ie link and promote your fundraising efforts to family and friends at home and abroad. Post it on social media, share on whatsapp groups or even share it on a zoom call!
5. Raise sponsorship money by organising an online fundraising event. There are plenty of fun ideas on www.calcuttarun.com/fundraising.

Calcutta Run - The Legal Fundraiser is organised by the legal profession to help young people experiencing homelessness in Ireland and Kolkata. 100% of all funds raised by participants and supporters goes directly to fighting homelessness through our charity partners Peter McVerry Trust and The Hope Foundation. There is no registration fee for participants but those young people in Ireland and children in Kolkata need your help to reach the 2021 target of €300,000. We are asking the legal profession and supporters to run, walk, cycle, hike a collective 30,000km over 10 days from Dublin to Cork,

on to New York, next stop Olympic Tokyo, on to Kolkata and finish up in Dublin! We need to raise vital funds for the Peter McVerry Trust and The Hope Foundation in the process. Run, walk, cycle, hike wherever you want, recording your distance on idonate.ie and its integrated fitness and tracking apps. Progress will be tracked on a map against the collective 30,000km route. Participants can do this in their own time from 17-26 September.

YOUR FUNDRAISING TARGET IS €120 BUT THAT GOES A LONG WAY...
