

YOUR FUNDRAISING TARGET IS €120

Thank you for collectively raising €500,000 over the past two years virtually. Our target this year is €300,000.

Between goodie bags, insurance, road barriers, timing chips, technical t-shirts and the man hours put into organising this event, it costs us €60 per participant. These costs are covered by volunteers and corporate sponsorship. This means that every cent you raise goes to both of the charities below.

FUNDRAISING TIPS

1. Ask people for a specific amount of sponsorship i.e. ask 12 people for €10 or be brave and ask for more to help the homeless of Ireland and Kolkata.
2. Start your sponsorship form with your highest donations. Those sponsoring you later on may look at the form for a guide of how much to give.
3. Promise something different; run in fancy dress, run with a team, run with your kids or dogs.
4. Set up your own online fundraising page on idonate.ie and promote your fundraising efforts to friends and family at home and abroad by posting a link to your idonate.ie account on facebook/twitter.
5. Raise sponsorship money by organising an online fundraising event. There are plenty of fun ideas and fundraising tips here www.calcuttarun.com/fundraising.

HELP FIGHT HOMELESSNESS IN IRELAND AND KOLKATA

Calcutta Run - The Legal Fundraiser is organised by the legal profession to help young people experiencing homelessness in Ireland and Calcutta. 100% of all funds raised by participants and supporters goes directly to fighting homelessness through our charity partners. There is no registration fee for participants but the homeless need your help to reach the 2022 target of €300,000. We ask that all participants raise an individual fundraising amount. Now all you have to do is choose your target (overleaf). Raise a minimum amount of €120 and receive a goodie bag, free BBQ voucher and a technical t-shirt as our way of saying thank you!
